

Self –Employment Profit/Loss Statement

This form is to be completed by self-employed applicants who have a new business (<2 years established) or applicants with a business established for > than 2 years who report a significant change in profit/loss from the previous tax year. Applicants with an established business who report no significant changes in business profit/loss can provide a copy of the prior tax year's 1040. WIG income eligibility is based on business income (income hours) minus operating and business related expenses.
